P-touch D210VP

“Labelling the contents of file folders, filing cabinets, shelves, USB pen drives and other items makes our office run much more efficiently”

The indispensable tool to keep your office organised

Clearly labelled items make for a much more efficient workplace. The compact design and easy-to-use features means that labels for CD cases, filing folders, shelving, staff/visitor name badges and many other items, are easily and quickly created. The availability of a wide variety of tape cassettes in various widths and colours, makes the P-touch D210VP indispensable.

office

Create decorative labels
Built-in templates for many
design options

*Batteries not included

P-touch laminated labels - designed to last

Brother P-touch laminated TZe tapes consist of six layers of materials, resulting in a thin yet extremely strong label. The thermal transfer ink is sandwiched between two protective layers of PET (polyester film), which protects the text against the effects of liquids, abrasion, temperature, chemicals and sunlight. As the labels have been tested to the extreme, you can be confident of a professional quality label that has been designed to last.

	Laminated	Temperature Resistant	Water Resistant	Fade Resistant	Abrasion Resistant	Chemical Resistant	Easy Peel	Strong Adhesive

Clearly identify items with a durable P-touch label

Around the home, office, school, shop and other places of work, there are many uses for long lasting, durable P-touch labels. Common examples include:

Cables and plugs - CD's and DVD's - USB flash drives - Office equipment - File folders - Staff and visitor name badges - Filing cabinets - Signage - Mail rooms - Notice boards - Shelving - Telephone extension numbers.
